Issue 153

**The conservative movement began at a time the reform convention had non-kosher. Many say they were shellfish.**

You get it? Those starting the new movement contended they were being shellfish. Selfish.

## RABBI ANSWERS HIS PUPILS

**Dear Rabbi. Mother's Day had me thinking about Mom.**

**Jewish mothers are amazing. What makes them so special?**

Shalom My Dear Pupil. You bring up memories of my Mom, A"Hm and me, her shnukum. Here's what makes Jewish mothers amazing.

- Mom Makes the Best Food* How every Jewish mother makes the best food is still perplexing. But don't argue. Mom makes your favorite dish. Every Jewish Mom has a special dish that nobody else has ever had. It's called Tzimis.
- She Scoops Your Food for You* A Jewish mom does not take the chance at you deciding what you want to eat. If you decide your portions should be, you might eat less. That's not acceptable. You're a growing thirty-year-old who needs nutrients. You deciding your portions?! You're her shnukum.
- And She's Honest* She will ensure your plate is full, and then tell you that you have to watch yourself.

She'll tell you you're fat, forcing food on you. And she'll be hurt if you don't eat it.

- She Knows You're the Best* Though this doesn't help in school, when getting whacked by a rubber dodgeball. Asthma may hurt your chance at making the pros. However, Mom knows you're the best athlete. Because you're her shnukum. And she'll acknowledge that by hugging you and making you fatter.
- Buys You A Sweater and Gets Mad You Don't Wear It* 'It's June' isn't an excuse.
- She Will Tell You You're a Man* She will pinch your cheeks and tell you you're a man. With all this belief in you and love, she will never trust you with a tool. You're the best, but you don't have abilities as a man. You're her shnukum.

**HALACHA SHVUI:** When one moves to Israel it's a Mitzvah to stay. Some never leave the Holy Land, because they never want to see their family.

## SERMONS OF REBUKE: EMOR

**S**habbat Shalom My Pupils...  
(Vayikra 22:32) *'And you shall not desecrate My Holy Name, and I should be sanctified among the children of Israel. I am H' who sanctifies you.'* H's done all He can to sanctify this shul... Only so much can be done. When you have members like the back left... Why? Because He took you out of Egypt. Bernie. (22:33) *You sanctify Gd 'who took you out of Egypt, to be a Gd to you.'* You sanctify the Holy Name that you freed you from slavery... He tried to help you get out of your first marriage.

Eight rabbis showed, ready to sign the Get, she said she wanted four million dollars, and you remained married... Let's see how you desecrate. You mess up the Layning. Michel should never read the Torah... The way you read they should've thrown the candies harder at your Bar Mitzvah. You would've learned a lesson... Shmuel missed the Omer count from the third day. Desecration... You miss everything. You missed your daughter's birthday. You missed your Aliyah... I also wanted to run out once Michel started reading.

*Rivka's Notes on Rabbi Mendelchem's Sermon:*  
I don't know if Bernie felt like he has been taken out of Egypt. He was born in Illinois.

## SHUL ANNOUNCEMENTS

**We forgot Mother's Day last week. They are the most important people in our lives. We just forget them.**

**Yom HaZikaron. We are announcing it now. No more complaints. Now you know for next year.**

**Shmuel has already messed up the Omer count. He has had it messed up since the third day. He missed it due to lack of thought. He is also a very bad Gabai.**

**Marriage class on how to get out of marriage without losing all of your money will take place this Tuesday. Wednesday is the Pinkovitz wedding. We want to wish the Pinkovitz family a Mazel Tov.**

**Contemporary Halacha Classes: How to Know How to Read the Torah Before You Get Up to Layn, So That People Don't Want to Shoot You. How to Not Forget the Omer Count.**
